ABERDEEN CREAMERY COMPANY
ABERDEEN, MISS.

Christmas, 1926.

Greetings!

MERRY CHRISTMAS to you, my friend,
And may the good NEW YEAR
For you be heavy laden
With Peace, Plenty and Good Cheer.

As we approach the close of the year, our hearts go back in retrospection. And though we have suffered disappointments, things have not always been as we most desired, yet still our blessings are numbered by the score and we are profoundly thankful to the Giver of all Good Gifts for life and friends and faith to strive again.

May we express to you our deep appreciation of your co-operation and the part you have contributed towards the building of the great industry of Dairying. Truly ours is the Land of Opportunity, and may you find therein more of Happiness and Prosperity.

With the coming of the New Year, it is our determination to give more of thought and effort that we may better serve, and to that end we solicit your patronage, believing that we shall merit your full confidence. We have enjoyed eleven years of growing business, and Aberdeen Creamery is widely known, well established and firmly rooted in the industrial life of the State of Mississippi.

Because of these facts, we are asking for your Good Will and strong support, and may we work together throughout the years to come in that pleasant harmony which is inspired only by the utmost confidence of each in the other.

Yours most sincerely,

ABERDEEN CREAMERY COMPANY

Frank Johnson
